

# ALMER

## *Company* PROFILE

Where Industrial Excellence Meets Global Standards

تأسست شركة ألمير لتجارة المعدات الصناعية عام 2023 على يد نخبة من المهندسين والفنيين ذوي الخبرات الواسعة في مجال الهندسة العكسية. تتخصص الشركة في تصنيع قطع الغيار الصناعية لحفارات آبار النفط والغاز ومصانع الكيماويات، بالإضافة إلى صيانة وتصنيع جميع أنواع المضخات الصناعية ولف المواتير الكهربائية بمختلف قدراتها

## تعمل شركة ألمير ضمن ثلاث مسارات رئيسية :

01 خراطة وتصنيع قطع الغيار الصناعية داخل مشاغلنا الخاصة باستخدام أحدث المعدات لضمان أعلى مستويات الجودة والدقة

02 صيانة وتصنيع جميع أنواع المضخات

03 لف وصيانة المواتير الكهربائية بمختلف القدرات

نحن ملتزمون بتقديم حلول صناعية متكاملة بجودة عالية تلبي احتياجات قطاعات الطاقة والصناعة بكفاءة واحترافية

## Who we are

Almeer Industrial Equipment Trading Company was founded in 2023 by a team of highly experienced engineers and technicians specializing in reverse engineering. The company focuses on manufacturing spare parts for oil and gas drilling rigs, chemical plants, as well as the maintenance and fabrication of all types of industrial pumps and the rewinding of electric motors across various power ranges.

### Almeer operates across three core areas:

- 01 Machining and manufacturing of industrial spare parts in our own workshops, equipped with state-of-the-art tools to ensure maximum precision and quality.
- 02 Maintenance and production of all types of pumps.
- 03 Rewinding and servicing electric motors of all capacities.

We are committed to delivering integrated industrial solutions with high precision and quality to meet the evolving needs of the energy and industrial sectors.

## Our main areas of work:

- 01  Lathe and manufacturing of industrial spare parts in-house, using the latest machinery and equipment to ensure the highest levels of precision and quality.
- 02  Maintenance and manufacturing of all types of industrial pumps.
- 03  Rewinding and maintenance of electric motors of various capacities and sizes.

We are committed to providing integrated industrial solutions with high efficiency and quality, meeting the needs of the energy and industrial sectors, while ensuring the highest levels of professionalism.

## OUR CORE SPECIALIZATIONS

### Comprehensive Pump Maintenance

 Almeer Company provides end-to-end maintenance services for industrial, agricultural, and commercial pumps. Our services cover inspection, repair, component replacement, and system optimization to extend equipment life and reduce downtime.

## OUR CORE SPECIALIZATIONS

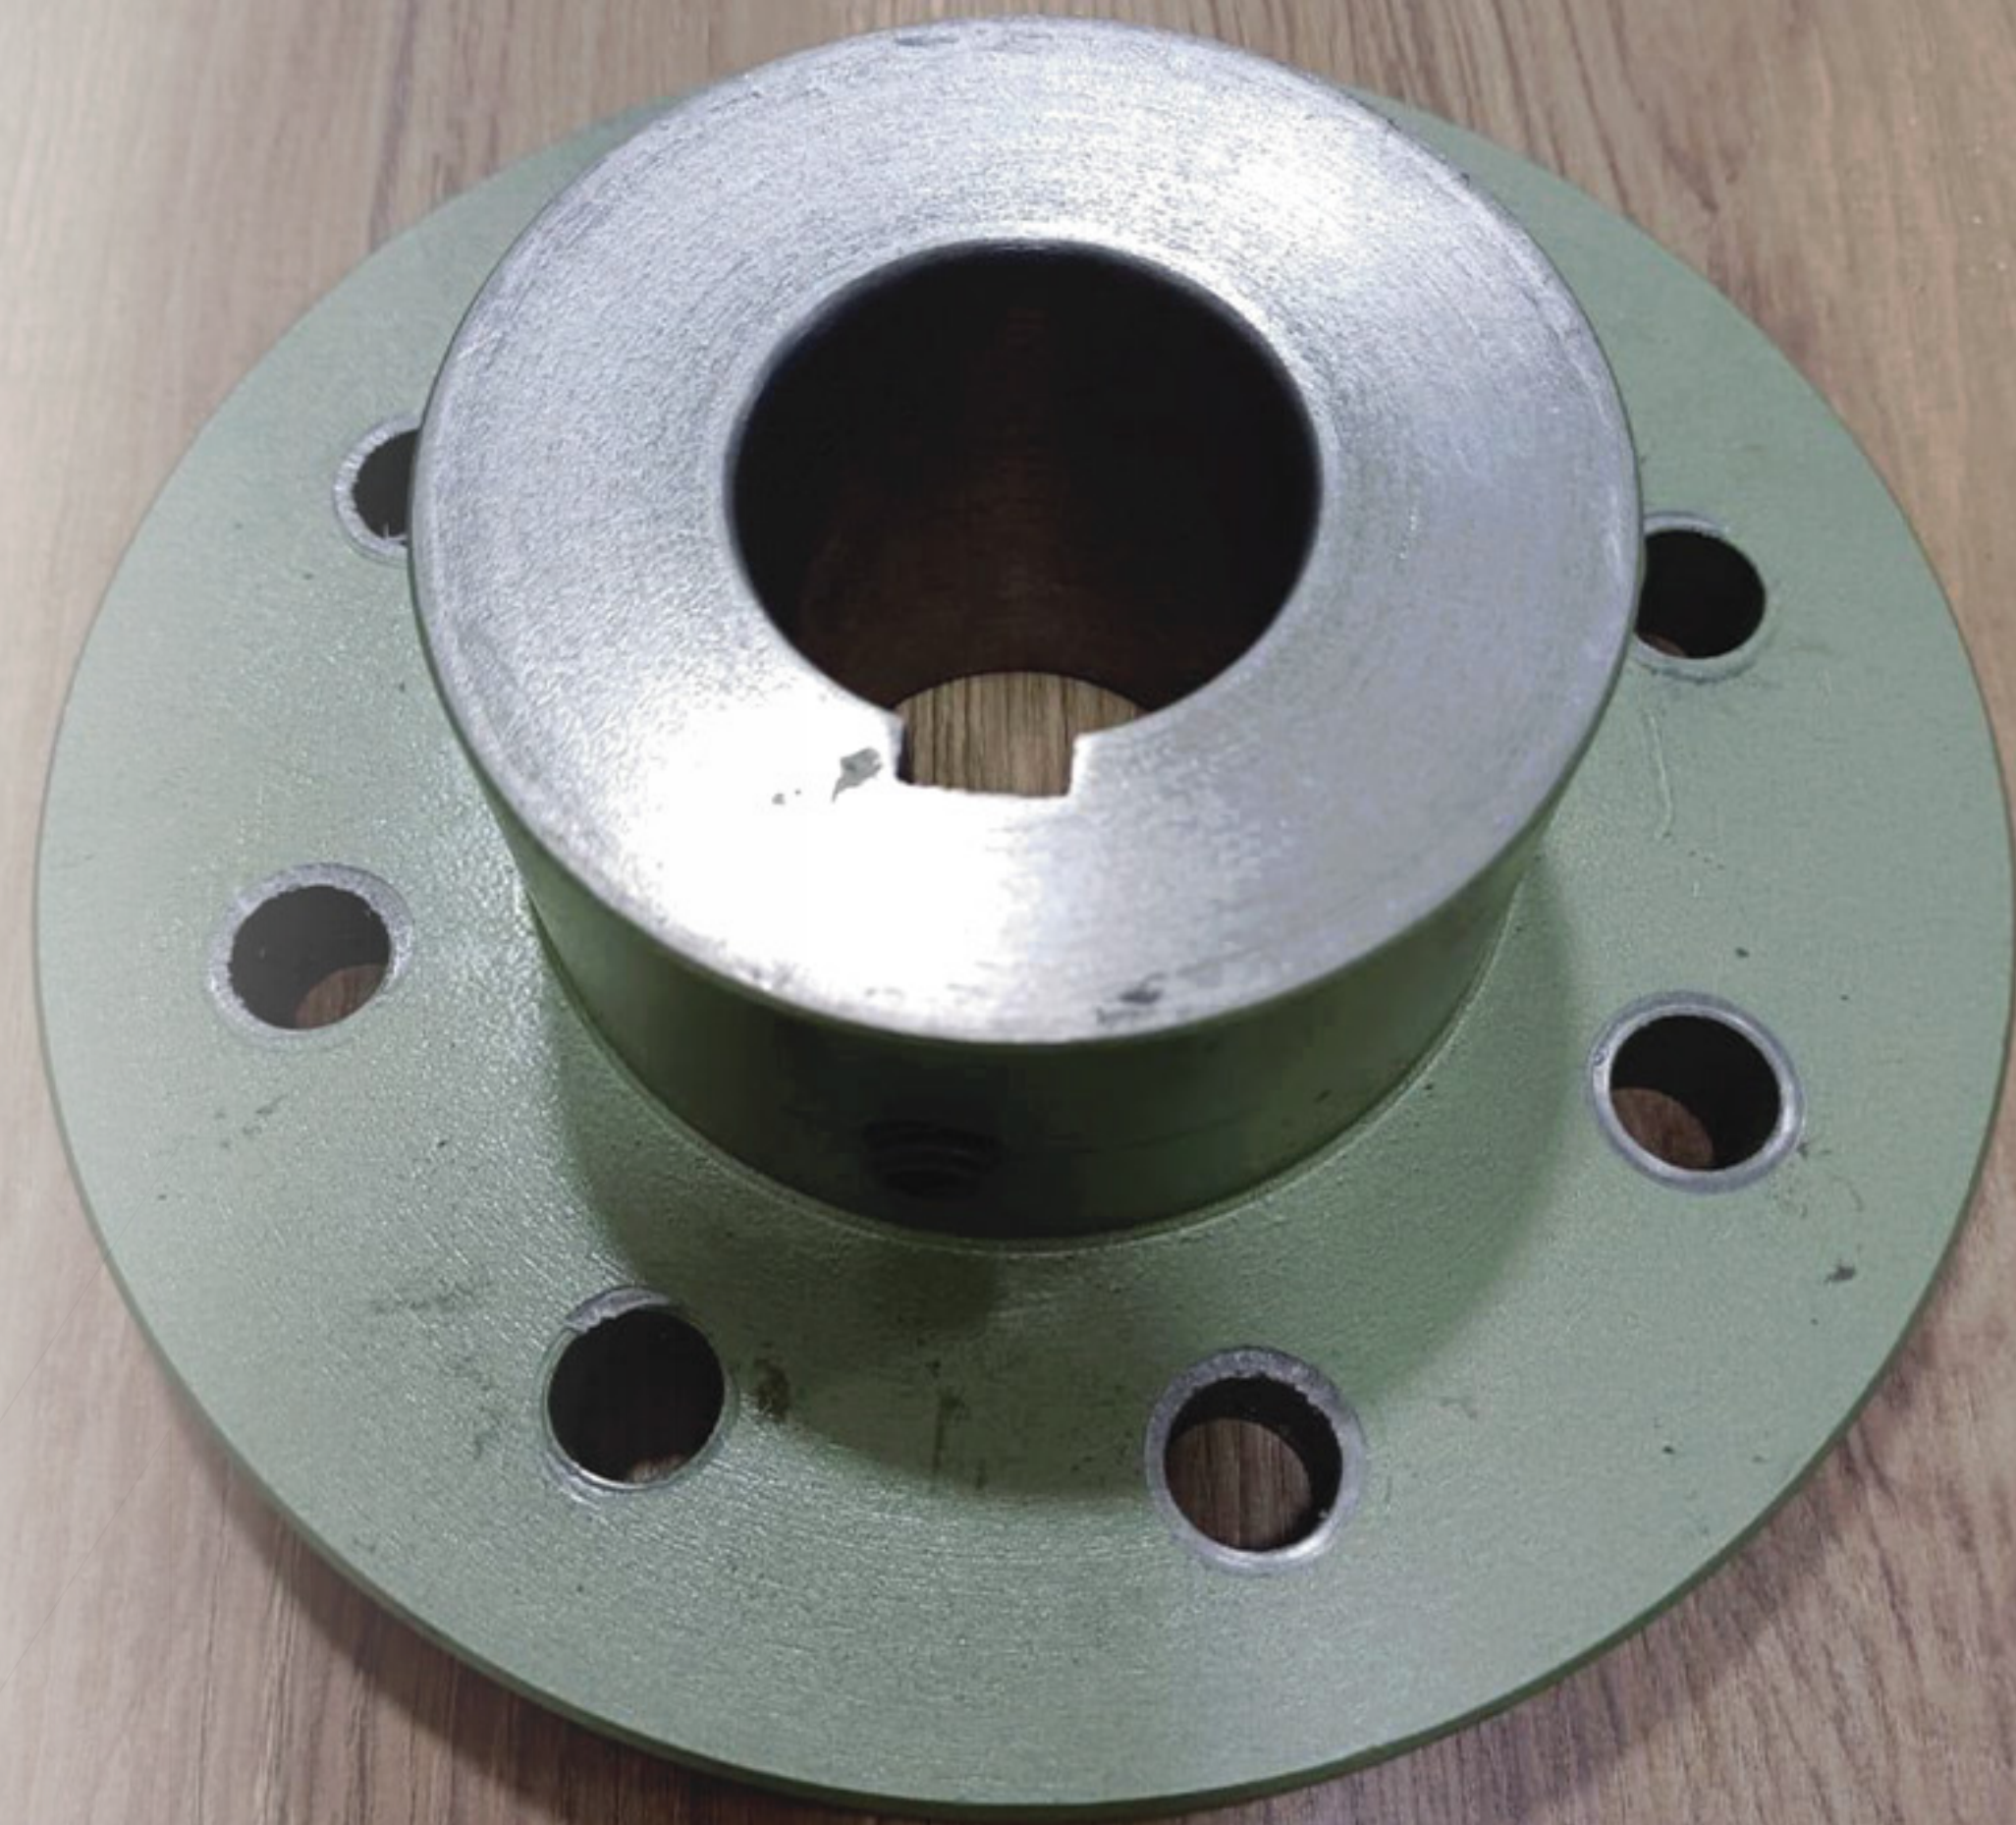

### Electric Motor Rewinding & Reconditioning

 Using advanced technologies, we offer expert-level rewinding and reconditioning of electric motors. Our process ensures restored performance, enhanced energy efficiency, and reduced operational disruptions.
